

A RECORD YEAR 2020

We would like to take the time to thank our loyal customers after a record breaking year of success in 2020! At a time of uncertainty and trials for many, Powder King® is so grateful to have received support from new and long-term customers. It is our mission to provide exceptional services to help advance the Plastics Industry. Here at Powder King®, we believe that having a foundation of integrity is a key asset, which we must preserve and enhance. Powder King® believes that with your support, we are able to carry-out those standards and continue to produce record breaking success. We appreciate your valuable contribution and wish you a great year ahead.
